SUPERSTAR PERFORMANCE

This motivational presentation will challenge attendees to reach the next level of accomplishment. **SuperStar Performance** is filled with stories that guide individuals through the pitfalls that create self-limiting behavior.

In the program, Jeffrey Hansler introduces the *Three Dragons* that accompany anyone on a journey to mastery and how they feed on each other to become more powerful in creating barriers to ultimate performance.

Those attending will discover a self-awareness that will allow them to recognize their own dragons and gain the tools to harness their power for peak performance.

The program includes recognition skills, interactive understanding, and the simple solutions to progress forward to a more productive, successful, and fulfilling experience.

Breakout topics & keynote customizations for:
