

# Want a V.I.P. event?

*(that's Value, Impact, Purpose)*

Jeffrey Hansler, CSP  
speaker, author

## LIFE IS A FUNNY THING

*Life is what you make it!*

This journey called life is filled with events and relationships. Let Jeffrey take your audience on a laughter filled journey of a shared-memory lane:

- Current events for laughs
- Schedules too busy for sane behavior
- Stages of laughter: childhood, adolescence, working life

This program is not just about laughter and fun. It contains tools for improving relationships, working with others, and communicating more effectively... and yes they are delivered with interactive humor guaranteed to deliver laughter and enjoyment.

Prior to the program, Jeffrey contacts key individuals to discover the issues important to the audience and incorporates this material into his program with humor and ideas.

Jeffrey's easy going style will make this a memorable and useful event for everyone in the audience (attendees, members, spouses).
