

Communication Excellence

To develop *Communication Excellence* requires successfully dealing with many types of people in many different situations. Using expert skills of observation, communication, decision-making and persuasion, you become a master communicator.

In this session you will learn to:

- Identify critical considerations for evaluating decisions
- Communicate and adapt quickly to change
- Use key elements of persuasion skills

Your increased communication and persuasion skills will help generate new perceptions, which pave the way for increased communication and opportunity, contributing to the personal and professional growth of others and you.

You can add powerful influencing skills to your abilities: This program will show you how.

You'll learn ways to...

- Increase your listening and communication skills
- Gather the necessary information to determine change affects
- Rally support for your action lists

Your new communication skills will create new perceptions giving you the opportunity to turn a communication experience into a positive vehicle for yourself and others. You develop *Communication Excellence*.

You and those that attend with you will learn new ways to....

- 1. Understand the essence of decision-making.**
Learn the secrets of effective decision-making.
- 2. Effectively communicate ideas for change.**
Help others grasp the necessity for changes.
- 3. Contribute to personal and professional growth of others.**
Build skills and enthusiasm linked to value-based growth.
- 4. Seize the day.**
Capture opportunities as they are presented.
- 5. Communicate to build relationships while you take care of business.**
Incorporate dialogue to develop long-term relationships built on earned trust.
